

VII DELEGATES

8:30 a.m. John Neufeld – 59 2nd Street, Roland , attended to discuss access he had installed on his own initiative. As this property has a back lane and there is no garage fronting the street, the Municipality charges \$1,000 to install a secondary access from the Street. John noted that back lane needs maintenance to be useable – trees need trimming; often blocked in winter. John not interested in paying for access; gravel and culvert will be removed.

10:30 a.m. Friendship Club – Arlene Bartley and Hazel Sutton – displayed prototype of card table designed by Rosebank Woodworking. Discussed purchasing 12 tables at a cost of \$130 each, plus a storage cart. Don will accompany Arlene and Hazel to finalize details with Rosebank Woodworking.

VIII CORRESPONDENCE

MB Conservation Districts Assoc – Annual Convention Dec 1 – 3, Brandon PVDC – providing 2 complimentary tickets to Banquet and Tourism Marketing Workshop on November 3rd. Richard may attend; Don already has ticket.

IX REPORTS OF COMMITTEES

Public Works – Murray Peirson, Foreman

- Murray absent; submitted written report
- ask Murray to obtain quotes for installing shut-off valves on water mains in Roland to facilitate maintenance.

Ward 1 Councillor Richard Hildebrand

- road maintenance concerns
- field access improvements completed for Harold Harder
- discussed drainage issue with Curtis Penner - 12-4-3
- drainage matter for Ray Allison – will survey
- contact Lindsey Kornelsen re derelict vehicles

Ward 2 Councillor John Hughes

- drainage surveying to be completed for several landowners
- Memorial Hall – kitchen door outside trim has been replaced with vinyl brick mold; B&A Ent. has built cover for A/C, will be installing shortly; D&T Autobody will paint window awnings.

Ward 3 Councillor Brian Burnett

- Public Works have surveyed Hwy 23 ditch around Roland. Highway culvert is 2 feet high. Hwys Dept have no plans to correct.
- John Graham had applied to Highway Traffic Board to widen yard access; they approved, on the condition that south access be relocated to municipal road; John requested letter of support from Council to retain existing access. Letter forwarded.
- suggest stockpiling some A-base to cover supplier short-fall.

Ward 4 Councillor Don Pfrimmer

- PVDC will be hosting their annual Christmas Banquet in Roland; Charlie Brown's Restaurant catering; Don to look after Permit.
- access installed for Ernie Janzen to be moved further from intersection.

Reeve Bill Whitehead

- Pembina Valley Water Co-op – clearing trees and brush for reservoir project. Co-op member RM's will not be required to amalgamate Financial Statements under PSAP.
- represented the Municipality at the Pumpkin Fair ceremony honoring the 100th anniversary of the Roland Ag Society – a great day and even greater volunteers!
