RE: BOIL WATER ADVISORY ISSUED TO PORTIONS OF THE RM OF DUFFERIN AND RM OF ROLAND (STEPHENFIELD REGIONAL) WATER DISTRIBUTION SYSTEMS

Dear Kirt Henry:

The RM of Dufferin and RM of Roland water systems have met all conditions for rescinding the boil water advisory and that bacteriological testing results meet regulatory standards.

I am therefore rescinding the boil water advisory that was placed on the RM of Dufferin and RM of Roland water systems water system on January 19, 2023.

Please ensure all water users are notified that the advisory has been rescinded and that normal water usage can be resumed. A copy of this letter can be provided as notification. Notices posted in public locations such as washrooms are to be removed.

Should you have any questions, please contact Kale Black, Regional Drinking Water Officer at 204-795-6908.

Sincerely,

Amanda Fewings
