DELEGATES

9:00 a.m. Jack Giesbrecht – discussed his plans to subdivide the yardsite from NE 2-4-5, encompassing creek and pasture land of approximately 30 acres. Several buildings ready to be demolished – he was advised that Fire Dept would burn for a training exercise.

9:15 a.m. Ken Thiessen & Abe Thiessen – requesting that Council reconsider subdivision of yardsite from SW 11-4-4. Council stipulated that the following conditions be met prior to reapplying:

- 1) dwelling unit must be inspected by Building Inspector, Ed Penner, and recommendations for occupancy met.
- 2) verification of Hydro permit.
- 3) compliance with onsite wastewater management systems regulation.

Carried

Public Works – Murray Peirson, Foreman

- filed written report
- would like to snow ridge on farm property along North side of Roland – Brian will contact Bud McKnight for permission.
- suggest removing tree stumps in Myrtle when ditching is done next year
- discussed replacing garden tractor – not adequate for snow removal or mowing
- Council considered benefits of a 'twist-a-wrist' for the backhoe; Don will contact Hi-Trac for a quote on upgrading
- road maintenance concerns with respect to fence lines located on road allowance.
- drainage and maintenance concerns along Blakeston/Cottonwood

Ward 1 – Councillor Richard Hildebrand

- addressed Myrtle ratepayer concerns – authorized installation of snowfencing on former Railway ROW rather than another tree row; will schedule drainage improvements for 2010; stumps on boulevard will be removed in conjunction with drainage work.

Ward 2 – Councillor John Hughes

- Public Works have surveyed drainage for Ken Wiebe, East side SE 23-4-5, and will complete prior to freeze-up.
- progress report on Shop addition; will top up attic insulation in old part of Shop.
- thank you for expression of sympathy on the loss of his father.

Ward 3 – Councillor Brian Burnett

- participated in Board of Revision
- planning to meet with Dave Buhler, Water Stewardship, regarding Doug Wilton drainage application.
- underground cistern on the NE corner of the Rink has begun caving in – as it is no longer in use, it is being filled with bentonite.
- requesting that scheduled shaling of roads be completed earlier in the season.

Ward 4 – Councillor Don Pfrimmer

- requested that Jack Fehr be ordered to remove the unauthorized culvert he had installed through the west dyke of the lateral ditch through 10-5-3, by Friday, October 13, 2009. It may be reinstalled upon approval of a Drainage Permit Application to Water Stewardship. See Resolution No. 5.

Reeve Bill Whitehead

- participated in Board of Revision
- discussed thoughts with respect to Public Hearing for paving project
- unavailable to attend Remembrance Day Service; Brian asked to carry RM wreath.

NEW BUSINESS

Vacation Request – Stewart Adams

9. Councillor Hughes Councillor Burnett
RESOLVED THAT Council approve the request submitted by Stewart Adams to carry over 8 days of un-used vacation from 2009 to February of 2010. Carried

2010 Salaries – Union Contract expires December 31, 2009. Union request to commence negotiations – available to meet in December.

BUILDING PERMITS

10. Councillor Hughes Councillor Burnett
RESOLVED THAT Council accept the Building Permit Report as follows:
- | | | | | |
|------|-----------------|-----------|-----------------------------|---------|
